

BULLETIN NO. 249 | 23 June 2014

The Australian Government Department of Communications has requested that state and territory land information agencies distribute important information about internet broadband arrangements for property owners and managers.

The Commonwealth Department's fact sheet can be viewed [here](#).

For further information, please visit the:

- Australian Government Department of Communications [here](#); or
- Australian Communications and Media Authority [here](#).

Regards

Bruce Roberts
