

BULLETIN NO. 234 | 3 JULY 2013

Landgate has undertaken its annual review of fees and charges for the provision of products and services. As of 1 July 2013, most non-regulated products and services have increased by a Consumer Price Index increase of two per cent (2%). More specific information on this can be found [here](#).

Subject to approval by the Governor in Executive Council and gazettal; revised fees will apply to some of Landgate's regulated services from 1 August 2013. These are set out below:

Product (rates are inclusive of GST)	2012/13 rate	2013/14 rate
Deposited plan and strata / strata survey plan general lodgement fee	\$242.00	\$260
Deposited plan and strata / strata survey plan per lot fee	\$66.00	\$70.00
Replacement plan lodgement fee	\$242.00	\$260.00

Valuation roll Additions, deletions, corrections or amendments	\$56.00	\$57.00

Landgate is mindful of the price increases over recent years; particularly for regulated services. As a result of cost saving initiatives, Landgate has been able to minimise increases and generally maintain its cost recovery base at existing levels. Document registration and searching fees will not be increasing for the 2013/14 financial year.
